

Introduction

This month, you will get to read Romans...two times! Paul wrote this letter to the Church in Rome. Throughout this book, we learn about our great need for a Savior, how loving and merciful God is, and what it looks like to live the new life Jesus lived, died for, and rose again to offer us. Whether you are a brand-new Christian or have been following Jesus for years, this book has *so much* to teach you about yourself, God, and the Church.

The first time you read Romans, focus on the big picture. Look specifically for the theme of **grace** and try to see how all 16 chapters are tied together by this big idea.

The second time you read Romans, try to dig deeper. Do you have questions about what certain words mean? Can you think of other passages that are similar to the one you are reading? What does this chapter teach you about the Gospel, who Jesus is, or the reason why God would save sinners?

As you read each day, reflect on these questions. What did this passage teach you about God? What did it teach you about humanity? Did you see God protecting His people in this passage? Were there any commands given for how you should live? What is something new you learned through this passage?

Question: Why is the Bible important?

Answer: The Bible is God's Word, which means that it is true, enough, and right. It is true, so we can trust it. It is enough, so it gives us all we need to live a faithful life. It is right, so we should always obey God's Word.

Passage: "All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work." 2 Timothy 3:16-17
