

Introduction

The last 5 books of the Bible remind us how to live as God's Church and draw our eyes to look forward to eternity. As believers, it's important to live our lives here with eternity in mind.

This month, we will be reading through 1, 2, 3 John, Jude, and Revelation. 1-3 John give us a solid theological foundation about who God and Jesus are and how that impacts us as believers. Jude encourages us to live lives dedicated to God and to love each other well. And lastly, Revelation reminds us of eternity and gives us hope that one day God will conquer evil and make all things new.

While You Read

Read each chapter slowly and carefully. Underline, highlight or mark anything that stands out to you. Take particular note of **what you learn about God/Jesus** and **what we are called to do as the Church**. Make a list of these things in your journal as you go.

Take time after you read to journal and reflect on what you learned. **Write down any questions you have or things that you want to learn more about.** Then find a time to talk to a parent, small group leader, or pastor about those things.
