

Introduction

Proverbs is the book of wisdom. It is full of sayings and pictures of what wise people are like and it gives us instructions on how to become like them. The book was written over 3000 years ago, so they are not all direct instructions to tell us exactly how to live a godly life in 2026; however, Proverbs gives us a look at many qualities and descriptions of what wise people look like so we can take what it teaches and apply it to our lives. Proverbs 1:7 is the key to all wisdom, “the fear of the Lord is the beginning of wisdom.” All wisdom comes from above and as you read, it is important to keep asking God to help you gain wisdom from your reading.

As you go through the reading each day, write down your answers to these questions: What did this passage teach you about God? What did it teach you about humanity? Did you see the gospel in this passage? Were there any commands given for how you should live? What is something new you learned through this passage?

Weekly Assignment

Each week, come up with one question that you have from the week's reading. Once you have written down that question, go and ask it to a parent, grandparent, small group leader, or any other trustworthy adult in your life.
