

Introduction

This month you will get to read through the Old Testament book of Numbers. This book tells the true story of how God's chosen people, the Israelites, failed to follow God. The Israelites failed to trust and obey God, which meant that the great promise of entering the Promised Land was passed on to the next generation. Sometimes you will come across long lists of names, numbers, or responsibilities. These can feel boring, confusing, or unnecessary. However, it is important to remember that each word that you read is truly God's Word, and that means it is able to show you who God is and what He has done.

The book of Numbers teaches us the importance of trusting in God and receiving His promises to us by faith. The greatest promise that God has given us is that we can receive forgiveness for our sins and everlasting life if we trust in Jesus. And faith in Jesus' life, death, and resurrection will lead us toward love for God and love for others.

As you go through the reading each day, answer the following questions. What did this passage teach you about God? What did it teach you about humanity? Did you see the gospel in this passage? Were there any commands given for how you should live? What is something new you learned through this passage?

Memory Challenge

Question: How is the Word of God to be read and heard?

Answer: With diligence, preparation, and prayer; so that we may accept it with faith, store it in our hearts, and practice it in our lives.

Passage: 2 Timothy 3:16-17

All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.
