

Introduction

Living post-resurrection gives us such a beautiful opportunity. With the Holy Spirit inside of us and new life from Christ's sacrifice, we are able to live free from sin and share the good news with anyone and everyone we meet. As believers, we should be unified and joyful in our faith, not legalistic or cynical because we are completely satisfied in Christ.

This month we will be reading Galatians, Ephesians, Philippians, and Colossians- four letters from Paul to churches in various cities. Within these letters, Paul addresses several different topics including salvation through faith, unity within the body, joy in trials, and new life in Christ. These words are still true for us today and offer both comfort and conviction to believers.

While You Read

Before you read, ask the LORD to reveal things to you that you hadn't seen previously. Read each chapter slowly and carefully. Underline, highlight, or mark anything that stands out to you. As you read, **make note of what Paul is trying to get his audience to understand.**

Take time after you read to journal and reflect on what you learned. **Write down any questions you have or things that you want to learn more about.** Then find a time to talk to a parent, small group leader, or pastor about those things.
